

For 'Donald Trump'

I'm Donald Trump. I have the best words, nobody has better words than me. Everybody else, their low energy losers. I'm going to make America great again by turning back the clock to when we were great. Back when our biggest problem was bad hombres and Indians. Believe me, nobody loves Indians more than me because they can really keep a casino open. It's big league, I'm telling you. It's huge. – you know, I always say ignorance is bliss, and i'm very happy, I really am. What you don't know can't hurt me, and there is so much that I don't know that I'm practically bulletproof, I really am.

I'm Donald Trump and I approve this tremendous message.
